## Red Is The Rose

```
D                                A                G
Come over the hills, my bonnie Irish lass
        D                            G    A
Come over the hills to your darling
G                    D                   G                A
You choose the rose love, and I'll make the vow
      D              G     D          A  D
And I'll be your true love forever
```

Red is the rose that in yonder garden grows
Fair is the lily of the valley
Clear is the water that flows from the Boyne
But my love is fairer than any

'Twas down by Killarney's green woods we strayed
The moon and the stars they were shining
The moon shone its rays on her locks of golden hair
She swore she'd be my love forever

It's not for the parting that my sister pains
It's not for the grief of my mother
'Tis all for the loss of my bonnie
Irish lass That my heart is breaking forever
