Kiss - Prince

Kiss-Prince

```
                      A7
You don't have to be beautiful to turn me on.
I just need your body, baby, from dusk till dawn.
                    D7
You don't need experience to turn me out.
                       A7
You just leave it all up to me; I'll show you what it's all about

CHORUS:
                      E7
You don't have to be rich to be my girl.
                      D7
You don't have to be cool to rule my world.
                     E7
Ain't no particular sign I'm more compatible with.
                  D7                  E9sus4
I just want your extra time and your [4 kiss sounds] kiss.

You got to not talk dirty, baby, if you wanna impress me.
You can't be too flirty, mama, I know how to undress me.
I want to be your fantasy; maybe, you could be mine.
You just leave it all up to me; we could have a real good time.

                    [spoken]
CHORUS:                                I think I'd better dance now...

                                                                [x 4 5 5 5 x]
INSTRUMENTAL SOLO OVER A7+9

Women, not girls, rule my world. I said, they rule my world.
Act your age woman, not your shoe size. Maybe we could do the twirl?
You don't have to watch Dynasty to have an attitude.
You just leave it all up to me, my love will be your food.

CHORUS:

The scratches before the solo and throughout the last verse and onward is played on
the top three strings (high e,b,g: barre the 12th fret)
