Dont Think Twice Its Alright by Elvis Presley

```
G                   D               Em
It ain't no use to sit and wonder why babe
C                   G      D
It don't matter anyhow
G                       D               Em
And it ain't no use to sit and wonder why babe
A7                    D     D7
If you don't know by now
G                                G7
When the rooster crows at the break of dawn
C                          A7
Look out your window and I'll be gone
G          D          Em        C
You're the reason I'm traveling on
G           D          G
Don't think twice it's alright
