COME, NOW IS THE TIME TO WORSHIP

```
E                         A   E
Come, now is the time to worship
B                         A         B
come, now is the time to give your heart
E                         A   E
Come, just as you are to worship
B                     A           B       E
Come, just as you are before your God     come

CHORUS:
A                             E
One day every tongue will confess you are God
A                       E
One day every knee will bow
A                           C#m
Still the greatest treasure remains for those
    A                 B
Who gladly choose you now
