By Your Side

```
G       Am    D       G
By Your side, I would stay
G       Am   D       G
In Your arms I would lay
G      C G   Am G  D
Jesus, lover of my soul
G       C    G   Am  G  D
Nothing from you I  withhold

C                 G
 Lord I love you,  and adore you
Am         D     G
 What more can I say!
C                  G
 You cause my love, to grow stronger
Am          D       G   Am  G
 with every passing day.
