Fools Rush In Lyrics

(Instrumental openingone full verse)

Fools rush in where angels fear to tread
And so I come to you, my love, my heart above my head
Though I see the danger there
If theres a chance for me then I dont care

Fools rush in where wise men never go
But wise men never fall in love so how are they to know
When we met I felt my life begin
So open up your heart and let this fool rush in

(Instrumental close--one full verse)
