**Feathers in your Pillow**
**by Ralph McTell**

**Feathers make you laugh, feathers make you giggle**
**Get a bunch of feathers and stuff them in your pillow**
**When you get your pillow filled up tight**
**That's the way you sleep comfy at night**

**People in Tickle have got stiff necks**
**They wake up in the morning and they feel like wrecks**
**If they want to get a good night's rest**
**A pillow full of feathers is the thing that's best**

**Feathers are fluffy and feathers can tickle**
**A tickle with a feather will make you giggle**
**A giggle and a tickle make you feel all right**
**And a pillow full of feathers makes you sleep at night**

**How many feathers on a chicken's chest**
**Hundreds of thousands but ducks' are best**
**Duck down, fluffy and soft and white**
**And a pillow full of feathers makes you sleep at night**

**Feathers are fluffy and feathers can tickle**
**A tickle with a feather will make you giggle**
**A giggle and a tickle make you feel all right**
**And a pillow full of feathers makes you sleep at night**

**Feathers are tickly everybody knows**
**Feathers make you sneeze when they go up your nose**
**With a pillow full of feathers, well that's all right**
**When you lay down your head to sleep at night**

**Feathers are fluffy and feathers can tickle**
**A tickle with a feather will make you giggle**
**A giggle and a tickle make you feel all right**
**And a pillow full of feathers makes you sleep at night**
