

Doggon It Baby, I'm In Love - Carl Smith

Doggon it baby, I'm In Love-Carl Smith
Traditional}
Performed by Carl Smith
Written by A. Keefer and J. Amway

[C]Love knocks once and never later
[F]Slicker than an alligator
[G]Hotter than a red hot 'tater
Dog-og-gone it, baby I'm in [C]love
[C]Loves's a bug that up and bit me
[F]I don't know or care what hit me
[G]I'll be yores if you permit me
Dog-og-gone it, baby I'm in [C]love.

CHORUS

[F]Love is like atomic bomb
[C]Works like the same effect
The [D]heart it hits is blown to bits
And what [G]else could you expect
[C]Love can make a fellar dizzy
[F]Throw him plumb into a tizzy
[G]Even keep a loafer busy
Dog-og-gone it, baby I'm in [C]love.

Love can tame the wildest rover
Hits you hard and bowls you over
Makes you happy as a cow in clover
Dog-og-gone it baby, I'm in love
Mustard cuttin' stage or older
Eskimo's are even colder
Warms you up and makes you bolder
Dog-og-gone it, baby I'm in love.

INSTRUMENTAL

SAME CHORDS AS CHORUS

Gophers go for other gophers
Honey temps the bee
Mice or man, it's nature's plan
And it's gettin' the best of me
You're the cause you georgeous creature
Let's make this a double feature
And I'll go and fetch the preacher
Dog-og-gone it, baby I'm in love.

CHORUS
