

FREE AT LAST-crd  
Joan Baez

CHORUS:

C F  
Free at last, free at last,  
C G  
Free from the world and all its sins!  
C F  
Free at last, free at last,  
C G C  
I've been to the top of the mountain.

C F  
Hatred had me bound, had me tied down,  
C G  
Had me turned around, couldn't find my way.  
C F  
Then you walked with me and you set my spirit free,  
C G C  
Took me and my family down that long highway.

[CHORUS.]

C F  
I will never forget when the voices called,  
C G  
I will never forget how the night did fall,  
C F  
I will never forget when you rose to the call.  
C G C  
You lived and loved and sang and preached and died for us all.

[CHORUS x3.]
