

Maybe Today

My Lord will come, it may be soon,
It could be morning, night or noon;
Till then I'll watch and work and pray,
When He comes, I'll go home, there to stay.

Chorus

Maybe today, my Lord will come for me,
Maybe today, my Savior I shall see;
Maybe today from sin I shall be free,
Jesus will come, and I will go home,
It may be today.

My Lord will come, I know not when,
But this is sure, He'll come again;
With eager eyes I look for Him,
In His presence new joy will begin.

Chorus

Maybe today, my Lord will come for me,
Maybe today, my Savior I shall see;
Maybe today from sin I shall be free,
Jesus will come, and I will go home,
It may be today.

We'll sing His praise, forever more,
When we have entered heaven's door;
Redeemed from all our sin and strife,
There we'll know perfect love, endless life.

Chorus

Maybe today, my Lord will come for me,
Maybe today, my Savior I shall see;
Maybe today from sin I shall be free,
Jesus will come, and I will go home,
It may be today.
