Dont Let Sweet Love Die

Ricky Skaggs

Chorus 1:
D
Don't let your sweet love die
D7 G
like flowers in the fall
A7 D
don't take away the smiles and leave the tears
my heart believes in you
D7 G
please say you'll love me true
A7 D
don't leave me here to face the lonely years

I drifted all alone
D7 G
no one to call my own
A7 G
and then you came like an angel from the sky
D
you said we'd never part
D7 G
don't leave and break my heart
A7
be mine alone
D
don't let your sweet love die

Repeat Chorus 1

D
When flowers fade they say
D7 G
they'll bloom again some day
A7 G
will you love me when the rosebuds open wide
D
or is your kiss to be
D7 G
only a memory
A7
I need you so
D
don't let your sweet love die

Chorus 2:
E
Don't let your sweet love die
  E7       A
like flowers in the fall
  B7       E     B7
without life would be like death to me
I've grown so used to you
  E7       A
I can't believe we're through
  B7
be mine alone
  E
don't let your sweet love die

Repeat Chorus 2
  B7       E
I need you so don't let your sweet love die
