

Dont Want Feel Like That

(Don Schiltz - Terry Radigan)

Key of Ab, capo 1

G

Cried myself to sleep last night

G **C**
And I don't want to feel like that no more

G

Woke up before the morning light

G **C**
And I don't want to feel like that no more

D **C**
I couldn't think one thought that didn't start with your name

D **C**
I couldn't see one day that wasn't more of the same

Am

And I don't want to feel like that

C **G**
I don't want to feel like that no more

C
I don't want to feel like that

G

I said I had to get it off my chest

G **C**
I don't want to play that game no more

G
I could've lied a little more or less

G **C**
But I don't want to play that game no more

D **C**
If you're not willing to hear what I have to say

D **C**
It's too late 'cause now I've said it anyway

Am

And I don't want to feel like that

C **G**
I don't want to feel like that no more

D **C**
I don't want to feel like my life's hanging by a string

D **C**
I don't want to feel like I ain't feeling anything
