

I Couldn't Wait Forever

Intro: D G D Am6

D

I couldn't wait forever

G

Did you expect me to

D

I guess you thought I'd never

G

Find somebody new

D

I lived on dreams and promises

G

As long as I could

D

I couldn't wait forever

G

The way you thought I would

D

The lonely nights grew longer

G

As I prayed for time to fly

D

I lived on hopes that you'd return

G

And that's how I got by

D

The agony of loneliness

G

Just got too much for me

D

I couldn't wait forever

G

Needing love so desperately

Bridge

Am6

So I found new lips to kiss me

D G D

New arms to hold me tight

E7

I found new love and happiness

A

To fill these empty nights

D

You took my love for granted

G

Now my heart has found a new home

D

I couldn't wait forever

G

Forever's just too long

D

I couldn't wait forever

G

Forever's just too long
