

I Dont Have To Live This Way

Intro:A|E|A

A

I've been up and down the floor

Sleep won't hold me any more

You're running out of games to play

E A

I don't have to live this way

Thought I loved you for a while

You were loaded up on style

Talk is cheap but I won't pay

E A

I don't have to live this way.

D A D A

No I won't pay for games that you devise

D A D A

and I won't wait to listen to your lies.

Before you speak another word

I'll repeat it so I'm heard

You're running out of games to play

E A

I don't have to live this way.

GuitarSolo:A|E|A

FiddleSolo:(D | A) x4

You won't stay another night

Or give your wrong another right

Now I've got the eyes to see

E A

You get your kicks by hurting me.

D A D A

No I won't pay for games that you devise

D A D A

and I won't wait to listen to your lies.

Before you speak another word

I'll repeat it so I'm heard

You're running out of games to play

E A

I don't have to live this way.
