

I Dont Hurt Anymore

Recorded by Hank Snow

Written by Don Robertson and Jack Rollins

CAPO: 2nd FRET KEY: B PLAY: A

A **D**
It don't hurt any- more
A
All my teardrops are dried
E
No more walkin' the floor
E7 **A**
With that burnin' in- side
D
Just to think it could be
A
Time has opened the door
E
And at last I am free
E7 **A**
I Don't Hurt Any- more.

CHORUS

D
No use to deny I wanted to die
A
The day you said we were through
B
But now that I find you're out of my mind
E **E7**
I can't believe that it's true
D
I've forgotten somehow
A
That I cared so be- fore
E
And it's wonderful now
E7 **A**
I Don't Hurt Any- more.

CHORUS
