

I Recall A Gypsy Woman

written by Bob McDill and Allen Reynolds

performed by Waylon Jennings

D//2//3//4/

G D

Silver coins that jingle-jangle

A7

Fancy shoes that dance in time

D G D

All the secrets of her dark eyes

A7 D

The lady'd sing a gypsy rhyme

G D

Yellow clover in tangled blossoms

A7

In a meadow silky green

D G D

Where she held me to her bosom

A7 D

Just a boy of seventeen

CHORUS:

G D A7

I recall a gypsy woman, silver spangles in her eyes

D G D

Ivory skin against the moonlight

A7 D

And the taste of life's sweet wine

Verse 2:

Soft breezes blow from fragrant meadows

Stir the darkness in my mind

Oh gentle woman, you sleep beside me

And little know who haunts my mind

Gypsy lady, I hear your laughter

And the dances in my head

While my tender wife and babies

Slumber softly in their beds

(chorus)
