

I Still Miss Someone

Robert Earl Keen, Jr.

CDG

G **C** **D**
Out my door the leaves were falling,

C **D** **G**
the cold wild wind will come.

C **D**
Sweethearts walk by together

C **D** **G**
but I still miss someone.

C **D**
I go out on a party

C **D** **G**
to look for a little fun

C **D**
but I find a darkened corner

C **D** **G**
'cause I still miss someone.

Chorus

C **D** **G**
Oh I never got over those blue eyes.

C **D** **G**
I see them every- where.

C **D** **G**
I miss those arms that held me,

C **D** **G**
when all the love was there.

C **D** **C** **D** **G**
I wonder if she's sorry for leaving what we'd begun.

C **D** **C** **D** **G**
There's someone for me somewhere, but I still miss someone.
