

I Will Come To You

Intro: F

B **E**
I never thought I'd live to see you leave me

B
but just like the rainfall it's coming down

G#m
And something says I shouldn't try to stop

E **B**
Even though I want to I just don't know how

F#m **E**
I guess the price of your plans is worth cashing in

A **G#m**
All our yesterdays but baby someday

C#
I will come to you like the sweetest revelation

G# **Bbm**
Like these words that you're not saying

G# **F#**
Or a name you forgot you knew

C#
I will come to you

G# **Bbm**
Maybe in song you'll see me and realize you need me

G# F# G#m C#F#-C#-F#-C#-B
And baby when you do, I will come to you

E **A** **E**
Remember when we went from second guessers

A **B**
To midnight confessors we had no fear

E **A** **E**
How it finally felt to have someone to run to

A **E** **A** **B**
Somewhere to come to baby I'm still there

F#m **E**
I know you'll find your way back to this place

A **E** **G#m**
If you follow your heart then stay where you are

C#
I will come to you like the sweetest revelation
