

I Wonder Where You Are Toni

Recorded by Hank Snow

Words and music by Johnny Bond

D **G**
Tonight I'm sad, my heart is weary
 A7 **D**
I'm wond'ring if I'm wrong or right
 A7
Altho' you've gone and found a- nother
 A7 **D**
I wonder where you are tonight.

CHORUS

G **D**
That old rain is cold and slowly fallin'
 A7
Upon my window pane to- night
 D **G**
And tho' your love was even colder
 A7 **D**
I wonder where you are to- night.

Your heart was cold, you never loved me
Tho' you said you often cared
And now you've gone and found another
Someone who knows the love I shared.

CHORUS

Then came the dawn that day you left me
I tried to smile with all my might
But you could see the pain within me
That lingers in my heart tonight.
