

I Wont Be Calling For You

Lonesome River Band

Capo 4

G **C** **G** **D**

1. Now all those nights when you're sad and lonely, I won't be calling for you
2. Now when you hear that lonesome whistle blow, I won't be calling for you
3. Now, when you are cryin' and callin' my name, I won't be calling for you

G **C** **D** **G**

1. When you're broken-hearted and you think of me only, I won't be calling for you
2. When you think of our love and the tears start aflowin', I won't be calling for you
3. Just look in the mirror and see whose to blame, I won't be calling for you

C **G**

This train that I'm riding's headed on down the track

G **D** **G**

No, I'll not be calling, I won't be coming back
