

If Heartaches Had Wings

CAPO 4

VERSE 1:

E G A E
It's three in the morning on a Saturday night
G A E
The laundry and dishes just ain't worth the fight
G A E
Headlights are dancing across the living room wall
G A E
And that lone distant highway just echos the hall
D A E
Now the babies are sleeping on back in their rooms
D A E
And he's been passed out on the sofa since noon
D A E
And nobody told her about none of these things
D A E
And God knows she'd leave there if heartaches had wings

CHORUS:

D A E
If heartaches had wings she would fly
D A E
Away like some bird through the night
D A E
It's a long long way from a young girl's dream
D A D A E
And she'd surely leave there if heartaches had wings

VERSE 2:

E G A E
She grew up believing that wishes come true
G A E
A knight on a white horse like some young girls do
D A E
So she married her the captain of the school football team
D A E
Just like she was 'posed to as homecoming queen

CHORUS:

D A E

If heartaches had wings she would fly

D **A** **E**

Away like some bird through the night

D **A** **E**

It's a long long way from a young girl's dream

D **A** **D** **A** **E**

And she'd surely leave there if heartaches had wings

VERSE 3:

E **G** **A** **E**

She turns out the lights and she lays down in bed

G **A** **E**

The sound of that highway still runs through her head

D **A** **E**

She closes her eyes and she whispers those prayers

D **A** **E**

And falls asleep wondering does anyone care

CHORUS:

D **A** **E**

If heartaches had wings she would fly

D **A** **E**

Away like some bird through the night

D **A** **E**

It's a long long way from a young girl's dream

D **A** **D** **E** **D** **A**

And God knows she'd leave there if heartaches had wings

D **E** **D** **A** **E**

If heartaches had wings
