

If I Didn't Know Any Better

INTRO: Am G Am G x 2

Am G

I turned around

Am

Before I could run

G Am G

I found you already settled down

Am G

In the back of my mind

Am G Am

I know this is just a customary fever

G Am

The moon is our deceiver

G Em Am

That will leave you running blind

G-C G

Your heart is pullin'

Dm Am

If I didn't know any better

C G Dm Am

I'd be fallin deeper and deeper it's true

C G

I'd hear it callin'

Dm Am

If I didn't know any better

C G F AmGAmG

And I'd be in love with you

Am G

Didn't want to

Am G Am

The look in the eyes of the one that I would be drawn too

G Am G

I'm a moth lost in a fire

Am

And I know this

G Am

Is just a beautiful illusion

G Am

A case of the confusion

G Em Am

Between love and desire

G-C G

Your heart is pullin'

Dm Am

If I didn't know any better

C G Dm Am

I'd be fallin deeper and deeper its true

C G

I'd hear it callin'

Dm Am

If I didn't know any better

C G

And I'd be in love

F

When the flame burns out

F

If finally settles down

F

And you forget

F

I ever came around

C G

You're heart is pullin'

Dm Am

If I didn't know any better

C G Dm Am

I'd be fallin deeper and deeper its true

C G

I'd hear it callin'

Dm Am

If I didn't know any better

C G F

And I'd be in love with you
