

If You Dont Want Me

D **Bm**
Never really felt like I belonged.
D **G**
Just about that time, you came along.
Em **A** **D** **Bm**
Lead me to expect your love and your respect,
G **A**
But lately you don't let those feelin's show.

D **Bm**
I don't really want somebody else,
D **G**
But I won't be your prize upon a shelf.
Em **A** **D** **Bm**
I'd rather feel this emptiness than be something you possess.
G **A** **D**
If you don't want me, let me go.

G
Can't we both admit we made the most of it,
D
And we were wrong.
G
Don't you realize the best years of our lives
D **A**
Will soon be gone if you hold on?

D **Bm**
I know there must be more to life than this:
D **G**
Neglected vows wrapped in a token kiss.
Em **A** **C#** **Bm**
Lonely and ignored, I can't take it any more.
G **A**
If you don't want me,
C# **Bm**
If you don't love me,
G **A** **D**
If you don't want me, let me go
