

If You're Going Through Hell

Rodney Atkins

A

Well you know those times when you feel like there's a sign there on your back

D

Say's I don't mind if ya kick me, seems like everybody has

E

D

A

Things go from bad to worse you'd think they can't get worse than that and then they do

A

You step off the straight and narrow and you don't know where you are

D

Use the needle of your compass to sew up your broken heart

E

D

A

Ask directions from a genie in a bottle of Jim Beam and she lies to You

E

That's when you learn the truth

A

If you're going through hell, keep on going

D

Don't slow down If you're scared, don't show it

E

D

A

You might get out before the devil even knows you're there

A

Well I been deep down in that darkness, I been down to my last match

D

Felt a hundred different demons breathing fire down my back

E

D

A

And I knew that if I stumbled I'd fall right into the trap that they were laying, Yeah

But the good news is there's angels everywhere out on the street

Holding out a hand to pull you back upon your feet

The one's that you been dragging for so long, you're on your knees, you might as well be free

Guess what I'm saying

Chorus 2:

If you're going through hell, keep on going

Don't slow down, if you're scared, don't show it

You might get out before the devil even knows you're there

Yeah, If you're going through hell, keep on moving

Face that fire, walk right through it

You might get out before the devil even knows you're there

Chorus 2
