

In The Heart Of A Woman

A **D**
She is all I ever could've wanted her to be

A **D**
She always knew just how to give the best of love to me

A **D**
I thought I knew a thing or two about the ways of love

A **F#m**
But it was soon to become so clear I didn't know enough

E **D**
One day I found a note beside the ring she'd left behind

E **D**
She said that here is all you need to know for better love next time

A
Say your love is strong and true

Dsus2
Let her know all she meant to you

F#m
Show her she's that special one

E
Who shines in your eyes like the rising sun

A
Give love less room to grow

Dsus2
Treat her tender and you will know

F#m **E**
The secret to the treasures of heaven

A **A**
In the heart of a woman

A **D**
A bridge was burned and a lesson learned I never will forget

A **D**
And for her timeless wisdom I'm forever in her debt

E **F#m**
Last night I heard a good friend say he finally found the one

E **D**
I told him to be sure these precious things weren't left undone

A
Say your love is strong and true

Dsus2
Let her know all she meant to you
