

It Dont Matter Now

Capo 3d fret

D
Its finally come
G A
Is that sorry on your breath?
G
Where were you when I was sitting back here

Missing you to death?

stop
D A
It dont matter now

D
How, I wanna know
G A
Can you tell me plain and true
G
How high will you fly

Without me there to be your sky?

D
Well, it dont matter now

Bridge:

E
Dont mean to leave you standing on your own
G
I think back on days and nights we had long ago
Em
Maybe love is just a game you play

stop
G G
This much I do know
D
It dont matter now

D
Its finally come
G A
Is that sorry on your breath?
G

Where were you when I was sitting back here

Missing you to death?

D

It dont matter now

Bridge:

E

Now I dont tell stories and I dont pretend

G

I wont be around to say I told you then

Em

Cause it seems like somethings finally broken

stop

G G

Thatll take a lot of mend

D

But it dont matter now

Instrumental break:

stop

E G D E G Em G Em G D

G A

Is that sorry on your breath?

G

Where were you when I was sitting back here

Missing you to death?

D G

It dont matter now

D G

It dont matter now

Em D

It dont matter now
