

Ive Got My Faults

Verse 1:

E

I'm just a man

No more or no less

A

Bad as the worst

Good as the best

B

If you like what you see

It's a pretty good bet

What you see

Is just what you'll get

Chorus:

E

And i've got my faults

That i can't deny

A

Nobody knows that better than i do

B

Some not so good traits

From my wilder days

E

I've got my faults but i do have my ways

Bridge:

A

I do have my ways

E

That show off the best side of me

A

When you least expect it

E

You don't know how good i can be

Chorus.
