

Jennifer Johnson And Me

C **F** **C**
Deep in the pocket, of an old sport coat jacket

C **G**
I chanced to discover an old memory

F **C**
Three for a quarter, a black and white portrait

C **G** **C**
Taken of Jennifer Johnson and me

I'm in the corner, my shirt collar open
Like some Latin lover, on late night TV
Smiling right there with her head on my shoulder
It's Jennifer Johnson, and she's lookin' at me

It must have been summer, Ninteen Sixty Seven
The Beatles were singing "Love Is All You Need"
I held her hand as we walked through the arcade
Two young believers on a three dollar spree

CHORUS:

F **C**
Three for a quarter a black and white portrait

G
Jen, close the curtain so no one can see

F **C**
Hey kiss me quick, 'cause the red light is flashing

C **G**
It's flashing on Jennifer Johnson and Me

Waiting on that late night train back to home
I felt her warm, in the cool evening breeze
Told her I'd probably love her forever
Forever for Jennifer Johnson and Me

CHORUS:

Three for a quarter a black and white portrait

Jen, close the curtain so no one can see

Hey kiss me quick, 'cause the red light is flashing

It's flashing on Jennifer Johnson and Me

Three for a quarter a black and white portrait
Two young believers on a three dollar spree

F **C**
I saved you picture in my sport coat pocket

G **C**
Jennifer Johnson, did you save one of me.

C **G** **F C**
Jennifer Johnson, did you save one of me
