When they ask who's in the picture with me

I say just, some one I used to know

Just someone, I used to spend some time with
 B7 E

Just a flame that's lost it's glow

E7 **A**
I don't tell them of the nights I cried without you
 E **B7** **E**

I say just, someone I used to know

Instrumental

Just someone I used to run around with

just a friend, from long ago

I don't tell them, how lost I am without you
