

# Just When I Needed You Most

Recorded by Dolly Parton

Words and music by Randy Van Warmer

CAPO: 1st FRET KEY: Bb PLAY: A

**A**  
You packed in the morning, I stared out the window

**D**  
An' I struggled for something to say

**A**  
You left in the rain without closing the door

**E E7 E**  
I didn't stand in your way.

## CHORUS

**A**  
Now I miss you more than I missed you before

**D**  
And now where I'll find comfort - God knows

**A E A**  
'Cause you - Left Me - Just When I Needed You Most

**D A E A**  
You Left Me - Just When I Needed You Most.

Now most every morning I stare out the window  
I think about where you might be  
I've written you letters that I'd like to send  
If you would just send one to me.

## CHORUS

Now I love you more than I loved you before  
And now where I'll find comfort - God knows  
'Cause you - Left Me Just When I Needed You Most  
You Left Me - Just When I Needed You Most.

Yes, You Left Me Just When I Needed You Most.
