VERSE 1

D

Well, good morning

Bm

Em GA

Tell me how'd you sleep last night

D

You're still smiling

Bm

Em GA

So we must've done something right

F#m

Don't feel guilty

D

G

E

Because you turned to me last night

CHORUS (see guitar 1 TAB below)

D Bm

Em

We ain't done nothin' wrong

A

D

We've just been lonely too long

Bm

Em

No, we ain't done nothin' wrong

A

D A

We've just been lonely too long

VERSE 2 (see guitar 2 TAB below)

D

It's only natural

Bm

Em (riff 1) G A

When you've been too long in the dark

D

To look for comfort

Bm

Em(riff 2) G A

And to warm yourself by the fire

F#m(riff 3)

We're just afraid

D

G (riff 4) E

That we might get our fingers burned

CHORUS 2

D Bm Em

But we ain't done nothin' wrong

A

D

We've just been lonely too long

Bm

Em

No, we ain't done nothin' wrong

A

D (riff 5) D7

We've just been lonely too long

BRIDGE

G Em C D

Nothing's wrong that can't be cured with a new love

G Em C A

All you need is someone like me to be sure of, to be your love

SOLO (see TAB below)

|D |Bm |Em |G A |D |Bm |C |A |

VERSE 3

D

I'll be waiting

Bm

Em GA

Standing right outside your heart

D

And I'll be watching

Bm

Em GA

For the slightest sign of a spark

F#m

And I'll be here

D

G

E

If you should want to turn to me

CHORUS 3

D **Bm** **Em**

'Cause we ain't done nothin' wrong

A **D**

We've just been lonely too long

Bm **Em**

No, we ain't done nothin' wrong

A **D**

We've just been lonely too long

Bm **Em**

We ain't done nothin' wrong

A **D BmEm**

We both been lonely too long

A **D BmEm**

Oh, just been lonely too long

A **D**

Both been lonely too long
