

Nobodys Child

Harry Hibbs

D **D7** **G**
As I was slowly passing by an orphan's home one day,
A7 **D**
I thought I'd stop a little while just to watch the children play.
D7 **G**
Alone, a boy was standing, and when I asked him why,
A7 **D**
He turned with eyes that could not see and this was his re- ply.

Chorus>>>

G **A7** **D**
I'm nobody's child, nobody's child.
A7 **D**
I'm like a flower, just growing wild.
D7 **G**
No mommy's kisses and no daddy's smiles,
A7 **D**
Nobody wants me, I'm nobody's child.

People come for children to take them for their own,
But they seem to pass me by and why I never know.
I know they want to take me, but when they see I'm Blind,
They always pick some other child and I am left behind.

Repeat Chorus>>>

No mommy's arms to hold me and soothe me when I cry,
Sometimes I feel so lonely, I wish that I could die.
I'll walk the street of heaven where all the blind can see,
Then I'll be like other kids, There'll be a place for me.

Repeat Chorus>>>
