

# Sleep On

Alison Krauss

(verse)

**D**

Could your heart ever be mine?

**G**

**D**

Your arms hold me so close to you all through the night

Your eyes gaze into mine

**G**

**D**

Sayin' I should believe you, I always do, I don't know why

(chorus)

**A**

**D**

Cause you taught me a lesson the hard way one time

**A**

**D**

Told me you loved me, but then changed your mind

**A**

**G**

I never told no one how I hurt down inside until now

**D**

Sleep on

Could your heart ever be mine

My arms hold you so close to me all through the night

My heart warned me this time

But I need to believe you, so I do, just for tonight

But you taught me a lesson the hard way one time

Promised to love me but then changed your mind

I never told no one how I hurt down inside until now

Sleep on
