G G C C
You come home late and you come home early

You come home straight and you come home curly

D D G G
Sometimes you don't come home at all

G G C C
So what in the world's come over you

D D G G
And what in heaven's name have I done

G G C C
You've broken the speed of the sound of loneliness

D D G G
You're out there running just to be on the run

Well I got a heart that burns with a fever

And I got a worried and a jealous mind

How can a love that'll last forever

Get left so far behind

So what in the world's come over you

And what in heaven's name have I done

You've broken the speed of the sound of loneliness

You're out there running just to be on the run

Instrumental, same chords as one verse

It's a mighty mean and a dreadful sorrow

It's crossed the evil line today (?)

How can you ask about tomorrow

When we ain't got one word to say

So what in the world's come over you

And what in heaven's name have I done

You've broken the speed of the sound of loneliness

You're out there running just to be on the run

So what in the world's come over you

And what in heaven's name have I done
You've broken the speed of the sound of loneliness
You're out there running just to be on the run
You're out there running just to be on the run
D D G C D G.
