

Suddenly Single

CAPO II

INTRO: D

D This place is too damn lonesome I think I'll change and go out for a while **G**
D On second thought where could I go with a closet full of clothes that's out of style **G**
A It's another night of TV or another night of nothin' on my hands **D**
G I gotta change my way of thinkin' 'cause I'm still thinkin' like a married man **D GAD**

CHORUS:

A
Suddenly single
Bm **A** **D**
It's hard to break old habits for the bad
G
If I wasn't over thirty
A **D**
I might just move back in with mom and dad

I should call on some old flame, oh that ain't as easy as it sounds
My body says I need someone but I heart ain't ready for someone right now
Maybe in the mornin' I'll wake up and see the light
Small consolation Lord for the way I feel tonight

CHORUS

CHORUS 2:

A
Suddenly single
Bm **A** **D**
Someone's always right when someone's wrong
G
Anyway you look at it
A **D**
I'm suddenly alone
