

T For Texas

WAYLON JENNINGS

Written by Jimmie Rodgers

CHORUS:

A
Well, 'T' for Texas, 'T' for Tennessee
D **A**
I said "'T' for Texas, another 'T' for Tennessee"
E **D**
'T' for that no good woman(Pause)
A
... no good gal that made a wreck of me

INSTRUMENTAL

I'd rather drink myself muddy water, sleep all night in a 'holler' log
I'd rather drink muddy water, sleep all day and night in a 'holler' log
Than to hang around Atlanta... be put down and treated like a dirty dog

INSTRUMENTAL

If you don't want me, woman, just say so, that's all
If you don't want me, woman, all you gotta do is come around and say so, that's all
'Cos I can get myself more women than any two men or a passenger train can haul
(????)

INSTRUMENTAL

CHORUS:

Well, 'T' for Texas, 'T' for Tennessee
I said "'T' for Texas, another 'T' for Tennessee"
'T' for Thelma... no good gal that made a wreck of me
