

Talking To Myself

Lonesome River Band

INTRO: G - D - C - G

C - D - G - C - D - C - G

G **D** **C** **G**

There was a time when you would hang on every word I'd say

D **G** **C** **G**

I'd call to say "I love you" and we'd talk the night away

G **D** **C** **G**

Communication's breaking down, You're changin' I can tell

C **D** **G** **C** **D** **CG**

Seems to me I might as well be talkin' to myself

D **Em** **C** **G**

Pain and misery I've never seen before

D **Em** **C** **G**

Darlin' could it be you don't love me anymore

D **C** **G**

You're standin' here before me, but your mind is somewhere else

C **D** **G** **C** **D**

It's plain to see I might as well be talkin' to myself

G **D** **C** **G**

I'm pleading with you darlin' as you're walkin' out the door

D **G** **CG**

You hear the words I say, but you don't listen anymore

G **D** **C** **G**

I fear the worst has happened, Could it be there's someone else

C **D** **G** **C** **DCG**

I can see I might as well be talkin' to myself
