

Thank God And Greyhound

Recorded by Roy Clark

Words and music by Larry Kingston and Ed Nix

C **C7** **F**
I've made a small fortune and you squandered it all
C **G7**
You shamed me till I feel about one inch tall
C **C7** **F**
But I thought I loved you and I hoped you would change
C **G7** **C**
So I gritted my teeth and didn't complain
C7 **F**
Now you come to me; with a simple good-bye
C **G7**
You tell me you're leavin' but you don't tell me why
C **C7** **F**
Now we're here at the station and you're getting on
C
And all I can think of ... is ...
G7 **C**
Thank God and Greyhound, you're gone.

F
Thank God and Greyhound, you're gone
G7
I didn't know how much longer I could go on
C
Watchin' you take the respect out of me
F **G7**
Watchin' you make a total wreck out of me
C **F** **C**
That big diesel motor is a-playin my song
G7 **C**
Thank God and Greyhound, you're gone.

Thank God and Greyhound, you're gone
That load on my mind got lighter when you got on
That shiny old bus is a beautiful sight
With the black smoke a-rollin' up around the tail light
It may sound kinda cruel but I've been silent too long
Thank God and Greyhound, you're gone.

TAG: Thank God and Greyhound, you're gone.
