

That Dog Wont Hunt

written by R. Murrah/J. Schweers

Capo on the 4th fret.

Verse 1:

A

Well you think that you can lie and tell me alibis

And it's alright

Keep the grapevine line working overtime

On your late nights

D

You think you can say some words, take away the hurt

E

And I'll still be your number one

A

D

But when it ain't working out we got a saying down South

E

D

A

Baby that dog won't hunt

Chorus:

D

Baby that dog won't hunt

A

So you can hang up your guns

E

D

Break my heart and then you want a new start

E

D

A

Baby that dog won't hunt

Verse 2:

A

Well it's been open season on your double dealing

And it's so wrong

I guess I've been a fool playing by the rules

For too long

D

Well I've been sitting here at home with the porchlight on

E

While you've been chasing everything that runs

A

D

Let me put this in your ear and make it be so clear

E

D

A

Baby that dog won't hunt

Chorus (x2).
