I can taste your lipstick in the wine,
G **A** **D**
I can feel your heartbeat close to mine.

G **A**
With your love wrapped around me,
D C G
I'm silent and still.

G **A** **D**
I know that this love is real.

D **A** **D**
I have tasted other lips I thought were true,
G **A** **D**
I have looked into the eyes I thought were you.
G **A**

Now touching just to touch,
D C G
And feeling just to feel,

G **A** **D**
I know that this love is real.

Thinking of you, now you're gone

D **A** **D**
Tender is the heart that sleeps in rest,
G **A** **D**
Tender is the hope of tenderness
G **A**
Love thy neighbor as thyself
D C G CGCG
And thou shall not steal
G **A** **D**
I know that this love is real.
G **A**
Love thy neighbor as thyself

D C G CGCG

And thou shall not steal

G A D GD

I know that this love is real.
