

Till I Gain Control Again

performed by Waylon Jennings.

Capo on the 2nd fret.

Verse 1:

F# **B**
Just like the sun over the mountain top
E **B**
You know i'll always come again
E **B**
You know i love to spend my morning time
F# **B**
Like sunlight dancing on your skin

Verse 2:

F# **B**
You know i've never gone so wrong as to telling lies to you
E **B**
What you've seen is what i've been
E **B**
There is nothing i could hide from you
F# **B**
You see me better than i can

Chorus:

E **B**
Out on the road that lies before me now
E **B**
There are some turns where i will spin
E **B**
I only hope that you can hold me now
F# **B**
Till i can gain control again

Verse 3:

F# **B**
Just like a lighthouse, you must stand alone
E **B**
And mark the sailor's journies end
E **B**
No matter what sea i've been sailing on
F# **B**
I'll always roll this way again

Chorus.
