

# Trouble Man

Verse 1:

**E**

I was so ugly the doctor slapped my momma when i was born  
Then he took out his pocket knife and cut off my horns  
He said lady if you ain't already picked out a name  
Go ahead on and call him trouble man

**B** **A**

He's gonna be wild,i'm giving you warning

**G B E**

He's gotta have room,keep an eye on him

Verse 2:

**E**

I grew up with long and lean and hungry looks  
I learned you can't go nowhere when you go by the book  
People all around me earthbound,i learned how to fly  
Upside,downside,ouside,sailing on by

**B** **A**

Out of my reach,out of my hands

**G B E**

Out of control,trouble man

Verse 3:

**E**

I've been so far in all directions as you can get  
I ain't never had enough of anything yet  
I had women that tore me apart without any reason  
I say baby i don't get mad i just get even

**B** **A**

I don't explain if you don't understand

**G B E**

I'm my own man,trouble man

Trouble man
