

Two Highways

(L. Cordle)

sung by Ricky Skaggs

A//B7//E//2//

A B

Two highways lay before me

E

Which one would I choose?

A B

Down one lane I'd find happiness

E

& down the other I would lose

A B

There is no one that I can trust

C#m A

I must decide alone

My decision is an awful one

B

Which road will take me home?

CHORUS:

A B7

In the mornin' would I wake to find

E

Down the wrong road I had gone?

A B7

Will I hear the melodies

E

I've searched for oh so long?

A B7

Only time will tell

C#m F#

If I have made a loser's choice

A

Hello sadness, cries my inner soul

C C7 E

Goodbye lover, moans my voice

Verse 2:

A B

Perils today are many

E

As I set out on my way

A B

If I lose your love, I know that I

E

Can't call it back someday

A **B** **C#m** **A**
Rambler, lonely rambler just calls any place his home

C **C7** **E**
But Nashville's lights, how beautiful you shine

A///B///C#m///F#///2///

A///C/C7/E///2///

Verse 3 (same pattern as verse 2):

Wishing now that you had found
A word or 2 to say
But the morning came & we both knew
My eyes gave it away
As I kissed your cheeks & said goodbye
I thought, Only time will tell
& you can't draw water from an empty well

(chorus)

A **B(slow...)**

Two highways lay before me
