

Waking Up With You

performed by Waylon Jennings.

Verse 1:

E **A**
Like a sail that's torn and can't ride the wind
B **E**
Here i stand looking both ways again
A
I'm a dollar short on a three dollar night
B **E**
Turning left because i ain't got no right

Verse 2:

E **A**
I keep thinking this time may be it
B **E**
But somehow all the pieces just won't fit
A
But i'll always have a dream to hold on to
B **E**
Just as long as i keep waking up with you

Chorus:

A
You told me once that storms never last
E
I know it's true,oh so true
A
Just when i think the clouds will never pass
F# **B**
Like a silver lining you come shining through

Verse 3:

E **A**
I know you'll always be there right or wrong
B **E**
Together we'll keep on keeping on
A
And i'll always have a dream to hold on to
B **E**
Just as long as i keep waking up with you

Chorus bis:

A

You told me once that storms never last

E

I know it's true, yes i do

A

Just when i think the clouds will never pass

F#

B

Like a silver lining you come shining through

Verse 3.

E

A

And i'll always have a dream to hold on to

B

E

Just as long as i keep waking up with you
