

Words and Music: Don Schlitz and Paul Overstreet

D A G A D AGA

It's a-mazing how you can speak right to my heart

D A G A D AGA

Without saying a word you can light up the dark

G A

Try as I may I could never explain

D A G A

What I hear when you don't say a thing

D A G A

The smile on your face lets me know that you need me

D A G A

There's a truth in your eyes saying you'll never leave me

D A G A GA

A touch of your hand says you'll catch me whenever I fall

G A D AGA

You say it best, when you say nothing at all

D A G A D AGA

All day long I can hear people talking out loud

D A G A D AGA

But when you hold me near you drown out the crowd

G A

Old Mister Webster could never define

D A G A

What's being said between your heart and mine

D A G A

The smile on your face lets me know that you need me

D A G A

There's a truth in your eyes saying you'll never leave me

D A G A GA

A touch of your hand says you'll catch me whenever I fall

G A D

You say it best, when you say nothing at all
