

Bluegrass Songs - Lyrics

Along about daybreak

When we were young and we thought we loved each other
But you didn't love me I guess
For you've gone and you've found another
Everything to you is regret

This morning along about daybreak
You taunted me the whole night through
I know it's not too late for your sake, dear
But for me I will always be blue

Oh, I'm worried my darling, I'm worried
Just to know your love's grown cold
For without you life will be so dreary
We'll need each other when we grow old

* Refrain

Oh, sweetheart be good to our baby
And I want you to teach him to pray
Tell him to say a little prayer for dear daddy
Will you be the one to say

* Refrain
