

**Big ball in Boston**

Big ball in Boston, big ball in Boston  
Big ball in Boston, gonna dance around

Little glass of sherry, little glass of wine  
Let's have a party, let's have a time

\* Refrain

My love's in jail boys, my love's in jail  
My love's in jail boys, who'll go her bail

\* Refrain

Roll on the ground, boys, roll on the ground  
Eating soda crackers, ten cents a pound

\* Refrain

Look at all pretty girl walking down the street  
Kicking up their heels, they're happy on their feet

\* Refrain
