

Blue and lonesome

The lonesome sigh of train going by
Make me wanna stop and cry
I recall the day he took you are way
I'm blue,I'm lonesome,too

When I'm here the whistle blow
I wanna pack my trunk and go
The lonesome sigh of train going by
Make me wanna stop and cry

In the still of night in the pale moonlight
The wind,it moans and sigh
There awful blues I just can't lose
I'm blue,I'm lonesome,too
