

**Bluegrass Songs - Lyrics**

**Body and soul**

See that train coming round the bend  
Carrying the one that I love  
Her beautiful body is still here on earth  
But her soul has been called above

Body and soul, body and soul  
That's how she loved me with body and soul

Her beautiful hair was the purest of gold  
Her eyes were blue as the sea  
Her lips were the color of summer's red rose  
And she promised she would always love me

\* Refrain

Tomorrow as the sun sinks low  
The shadows will cover her face  
Her last sun goes down, she's laid beneath the ground  
And my teardrops are fallin' rain

\* Refrain
