**Bury me beneath the willow**

Bury me beneath the willow  
Under the weeping willow tree  
When she hears that I am sleeping  
Maybe then she'll think of me

My heart is sad and I'm in sorrow  
Weeping for the one I love  
When shall see her, oh, no never  
'Til we meet in heaven above

Tomorrow was to be our wedding  
But Lord, oh Lord, where can she be  
She's gone, she's gone to find another  
She no longer cares for me

She told me that she did not love me  
I couldn't believe it was true  
Until an angel softly whispered  
She no longer cares for you

Place on my grave a snow white lily  
To prove my love for her was true  
To show the world I died of grieving  
For her love I could not win
